The Pawnee County Humane Society is becoming independent of the City of Larned. The PCHS operates completely on donations and all of our animals are placed in individual foster homes. The number of animals that we are able to help is rising thanks to an increase in volunteers opening their homes and hearts to unwanted animals.

This also means an increase in our costs which will only continue. Because of this, we are asking for your help. Any items that you or your business are able to donate would be greatly appreciated!

Please send your donations to the address listed at the top of the page or call 620-282-2554 to schedule someone to pick them up. Remember, all donations are tax deductible and greatly appreciated!
